## THIS WEEK'S NEWS & NOTICES

### A MESSAGE FROM ROB

#### Encourage one another!

A congregation made the decision to do a major renovation on its thirty-five-year-old sanctuary. The first step was to put together a crew of people to do the internal demolition. Around forty people showed up to take care of this task.

Dust was everywhere as they ripped up carpet, knocked out walls, tore down ceilings, and dismantled the platform. There were people of all shapes, sizes, and ages. It was a wonderful project for everyone because absolutely no skill was needed. It doesn't take much training to destroy something.

When this phase was completed, the remodelling began. This was the part that required skilled and trained people—those who knew how to construct, build, and refurbish. Their task was much more difficult and it took much longer than the demolition. Anybody can tear down, but not everyone can build up.

As we make our way through the Letter of Hebrews with its glittering and sometimes confusing images, the following verses come to us with a remarkable clarity and freshness: 'Let us consider how to *provoke/stir up* one another to love and good works/service, not neglecting to meet together, as is the habit of some, but *encouraging one another.*' (Hebrews 10:24-25)

How might this consideration of stirring one another to love and service operate in practical terms?

- Discerning people's strengths and opportunities, rather than fixing on their weaknesses and needs?
- Praying that people might be encouraged to give something of themselves which God might enable them to share for the mutual benefit of their faith and this community of faith?

A wise person once said: "Flatter me, and I may not believe you. Criticize me, and I may not like you. Ignore me, and I may not forgive you. Encourage me, and I will *not* forget you."
