

DEB MAY

Deb is nominating for a new four year term as a Manager of the MTF after having being elected in 2018

April 2015 marked 47 years in “Finance”, since 1975 I have worked in many different roles in Banking & Finance.

There was a significant change for me in November 2000 when I was promoted to the area of Financial Planning, where I embarked on a journey of study and assisting clients. This resulted in the completion of my Advanced Diploma of Financial Services (Financial Planning).

In December 2015 I resigned from the Commonwealth Bank after nearly 26 years of service. After a period of “long Service leave”, I embarked on a new journey starting my own Financial Planning business, “Amaranth Financial Planning”. Over the past seven years I have felt extremely blessed, my clients have been very happy with the assistance I am able to provide and leaving them with the feeling of financial wellbeing.

As part of operating a Financial Planning practice, I am registered as an Individual and as a Financial Planning Company with the Australian Securities & Investments Commission (ASIC).

I have been attending Burnside City Uniting Church (previously Tusmore Park) since May 1997 and feel very blessed to be able to worship and praise God in this special place with special people.

I feel that I am suitably qualified to continue to make a contribution to the important role of this Board.

Yours in Christ
